Father Ken's Note...

Some People Always Look for the Negative

There was a hunter who bought a bird dog, the only one of its kind in the world, that could walk on water. He couldn't believe his eyes when he saw this miracle. At the same time, he was very pleased that he could show off his new acquisition to his friends.

He invited a friend to go duck hunting. After some time, they shot a few ducks and the man ordered his dog to run and fetch the

birds. All day long, the dog ran on water and kept fetching the birds. The owner was expecting a comment or a compliment about his amazing dog, but never got one.

As they were returning home, he asked his friend if he had noticed anything unusual about the dog. The friend replied, "Yes, in fact, I did notice something unusual. Your dog can't swim."

Some people always look at the negative.
