Father Ken's Note...

Remember.....Respect Your Elders, Let Them Go First

A young sales representative, a young administrative clerk, and the elderly boss are walking to lunch when the three stumble upon a flea market and notice an antique oil lamp. They start rubbing the lamp, and a 'genie' pops out. The 'genie' says, "I'll give each of you one wish." The young administrative clerk jumped in front of the elderly boss and yelled out, "me first!—me first!" "I want to be in the Bahamas, driving a speedboat without a care in the world." Poof! — He got his wish.

Next, the young sales representative jumped in front of the elderly boss and said to the 'genie', "I'm next, I'm next". "I want to be in Hawaii, relaxing on the beach with my personal masseuse and an endless supply of pina colodas." Poof! — He got his wish.

"Ok, you're up" the 'genie' says to the elderly boss. The elderly boss says to the 'genie', "I want those two back in the office after lunch."

Moral of the story: Always let your elders have the first say.

Father Ken
