Father Ken's Notes

It was a beautiful late summer day, and God stood by to observe a baseball game. God's team was playing Satan's team. The God's team was at bat, the score was tied zero to zero, and it was the bottom of the 9th inning with two outs. They continued to watch a batter stepped up to the plate named "Love."

Love swung at the first pitch and hit a single, because "Love never fails." The next batter was named Faith, who also got a single because Faith works with Love. The next batter up was named Wisdom. Satan wound up and threw the first pitch. Wisdom looked it over and let it pass: ball one. Three more pitches and Wisdom walked because he never swings at what Satan throws.

The bases were now loaded. God then decided to bring in His star player. Up to the plate stepped Grace. Satan wound up and fired his first pitch. To the shock of everyone, Grace hit the ball harder than anyone had ever seen! However, Satan was not worried; his center fielder let very few get by. The center fielder went up for the ball, but it went right through his glove, hit him on the head and sent him crashing on the ground; the roaring crowds went wild as the ball continued over the fence for a home run!

To everyone's delight—God's team had won. God then explained how His team won. God said: Love, Faith, and Wisdom will get you on base, but only My Grace can get you Home.

Father Ken

2023 MISSION COOPERATIVE APPEAL AT MSP

Next weekend, MSP will welcome Dr. Richard A. Gosser and his wife Daneen of the Rich in Mercy Institute (www.rimin.org). Richard and Daneen are lay members of the Congregation of the Holy Spirit or "Spiritans" and parishioners at Holy Trinity in Ligonier. **Rich in Mercy** is an all-volunteer, non-profit organization that promotes "global solidarity with the poor for a more just and sustainable world" primarily in Haiti—the country most often referred to as "the poorest country in our hemisphere."

Rich in Mercy works "hand in hand" with diocesan and religious Christian communities in Haiti to support initiatives around education, the environment, and infrastructure—both physical and social—to support educational scholarships, sustainable food production, public health initiatives, livelihood training, access to clean water and adequate nutrition.

Your payers and financial support for the Mission Appeal will support these initiatives and more. Please be generous. Your support is much needed and greatly appreciated.
