Father Ken's Note...

In every situation in life, you can focus on the positive or focus on the negative - it's your call.

A little boy was playing outside and was stung by a bee. He went into his house crying and said to his mother, "I hate bees! I wish God had never made them." The mother eased his pain, then sat him down at the table and gave him some toast and honey.

The little boy said, "This is great!" "You really do like honey, don't you?" the mother responded. "Like it?" the little boy replied, "I love it!" The mother then said, "The same bee that stings also produces the honey you are enjoying right now." Her son thought for a minute and said, "I never realized there was a good side to that bee!"

We can view a bee as an enemy that stings or as a friend that produces honey. And that's the way it is with everything in life. We can choose to look at the plus side in every situation, or we can choose to look at the minus side. The difference will be one of living a life of fear and sadness, or a life of rejoicing and celebration.

Father Ken

Catechesis Corner

CATECHESIS CORNER - DO YOU REMEMBER YOUR FIRST HOLY COMMUNION?

Do you remember the excitement, the weeks of preparation, the wonder and awe of that moment? First Holy Communion celebrations usually occur during the Easter season, the period between Easter and Pentecost. There are many Catholics throughout the world making their First Holy Communion during this season.

"The Eucharist is the source and summit of the Christian life. ... For in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ himself, our Pasch." (CCC 1324)

Unfortunately, according to a Pew Research study, only 31 percent of Catholics believe in the Real Presence of Christ in the Eucharist. However, Jesus told his disciples, "Those who eat my flesh and drink my blood have eternal life, and I will raise them up on the last day; for my flesh is true food and my blood is true drink. Those who eat my flesh abide in me and I in them." (John 6:34-36). Would that we could experience the awe and wonder of our First Holy Communion each time we receive the Body and Blood of Christ, realizing Who we are inviting into our hearts and souls.

"The whole Christ is truly present - - body, blood, soul and divinity - - under the appearances of bread and wine, the glorified Christ who rose from the dead. This is what the Church means when she speaks of the "Real Presence" of Christ in the Eucharist." USCCB website

"Sweet Sacrament we Thee adore! Oh may we love Thee more and more. Oh may we love Thee more and more!"

We commend to your prayers
